SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**ADOPT, ADVERTISE, AND AWARD
MEDIAN RECONSTRUCTION AND TRAFFIC SIGNAL MODIFICATION
COLIMA ROAD - FULLERTON ROAD TO NOGALES STREET
UNINCORPORATED COMMUNITY OF ROWLAND HEIGHTS
(SUPERVISORIAL DISTRICTS 1 AND 4)
(3 VOTES)**

SUBJECT

This action is to approve a project to reconstruct the median and modify traffic signals on Colima Road between Fullerton Road and Nogales Street in the unincorporated community of Rowland Heights, adopt the plans and specifications, call for bids, and authorize the Director of Public Works or her designee to award and execute a contract with a responsible contractor with the lowest responsive bid.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that this project is categorically exempt from the provisions of the California Environmental Quality Act.
2. Approve the project and adopt the plans and specifications for Colima Road Fullerton Road to Nogales Street, median reconstruction and traffic signal modification, in the the unincorporated community of Rowland Heights, at an estimated cost between \$1,600,000 and \$1,900,000.
3. Call for bids to be received on September 15, 2009.
4. Instruct the Executive Officer of the Board of Supervisors to advertise the project and seal and return the plans and specifications to the Department of Public Works for filing.
5. Authorize the Director of Public Works or her designee to award and execute a contract with a responsible contractor with the lowest responsive bid within the estimated cost range, approve the Faithful Performance, Labor and Material bonds, and insurance submitted by the contractor, and deliver the project.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to obtain County of Los Angeles Board of Supervisors' (Board) approval to adopt and advertise for bids for the reconstruction of medians; construction of curb and gutter, sidewalk, curb ramps, detectable warning surfaces, landscaping, and irrigation system; modification of traffic signals; installation of striping and pavement markings; and the performance of other appurtenant work.

The subject work will be along Colima Road between Fullerton Road and Nogales Street in the unincorporated community of Rowland Heights.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). The recommended action will help meet these goals by providing improved highway facilities for the traveling public, which will benefit the community.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The estimated construction cost to complete this project is in the range of \$1,600,000 to \$1,900,000. This project is financed with Gas Tax Funds as included in the First and Fourth Supervisorial Districts' Road Construction Programs in the Fiscal Year 2009-10 Road Fund Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This project, to contract for the reconstruction of medians and modification of traffic signals, is part of the Department of Public Works' (Public Works) ongoing highway construction and maintenance program. It will be advertised in accordance with Section 20392 of the Public Contract Code.

This project is to be completed in 120 working days. It is estimated the work will start in December 2009 and be completed in May 2010.

Delegating to the Director of Public Works (Director) or her designee the authority to award and execute this construction contract allows an expedited contracting process to obtain a contractor for this project.

The contract agreement will be in the form previously reviewed and approved as to form by County Counsel.

The project specifications contain provisions requiring the contractor to comply with terms and conditions supporting your Board's ordinances, policies, and programs, including but not limited to: County of Los Angeles' (County) Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and the standard Board directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the County to award construction contracts to a responsible contractor with the lowest responsive bid, which is defined as the firm that;

(1) submits the bid with the lowest cost; (2) is deemed by the County to be responsive to specific criteria under the solicitation including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the County to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure that the contract is awarded to a contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by the contractor will be considered before making a recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with Public Works.

ENVIRONMENTAL DOCUMENTATION

This project is categorically exempt pursuant to Sections 15301(c) and 15304(b) of the California Environmental Quality Act Guidelines, Class 1, Subsections (x)(2), (x)(4), (x)(10), (x)(13), (x)(14), and (x)(22), and Class 4, Subsection (c), of the revised County Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987. These exemptions provide for the reconstruction of existing roadway pavement, sidewalks, driveways, curb and gutter, and curb ramps; installation of irrigation systems; and landscape improvements.

CONTRACTING PROCESS

This project will be contracted on an open competitive bid basis. A recommendation for award by the Director or her designee will be made upon review of the bids and determination of the lowest responsive bid and responsible contractor meeting the criteria established by your Board and the California Public Contract Code.

To increase contractor awareness of Public Works' program to contract work out to the private sector, this project will be listed on the County website for upcoming bids.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

When the project is completed, it will have a positive impact by providing improved highway facilities for the traveling public thereby benefiting the community.

CONCLUSION

Please return one adopted copy of this letter to Public Works, Construction Division.

Respectfully submitted,
